Siljas symfoni :

A luxury cruise on the Silja Symphony is like a city break in Central Europe: imagine yourself walking down a shopping street! The heart of the ship is the pedestrian street Promenade, where you will find a wide range of shops, cafes and restaurants. The cruise ship also has a spa, tax-free shopping etc etc!

We will be staying at a Scandic hotel in a nice location
The hotel is a perfect base for exploring Helsinki's attractions, spending time shopping or just strolling around the city.
Eat hotel breakfast in peace and quiet, enjoy fluffy sheets, have time to exercise, try new flavors in the restaurant and end the day in the sauna!
